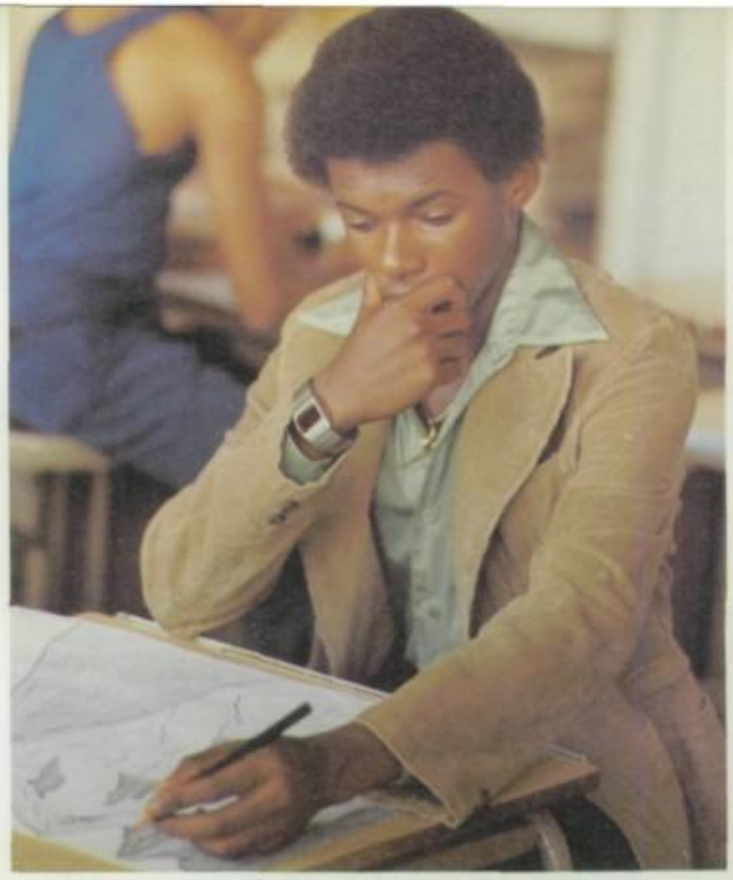
Around the World



Linda:

As you walk through your path of life; Look around yourself, and ask the questions are you like other people you know or are you Different? Of course your not perfect, why no one is. Then ask yourself the next question what Can Linda get out of life in the future; Is it happiness? will it be success? or may just plain old hurt, stupidity + pain. Watch out for the people who try to put you down, while their not doing a damthing with their life. But Putting people like you down + with them and then just laugh just as hard as they can. Don't think that just because there are people like this that there aren't any good folks. Well your wrong

There are some very beautiful people in this world. If your beautiful inside and out. You will find these wonderful people. Love Sis Me? Linda

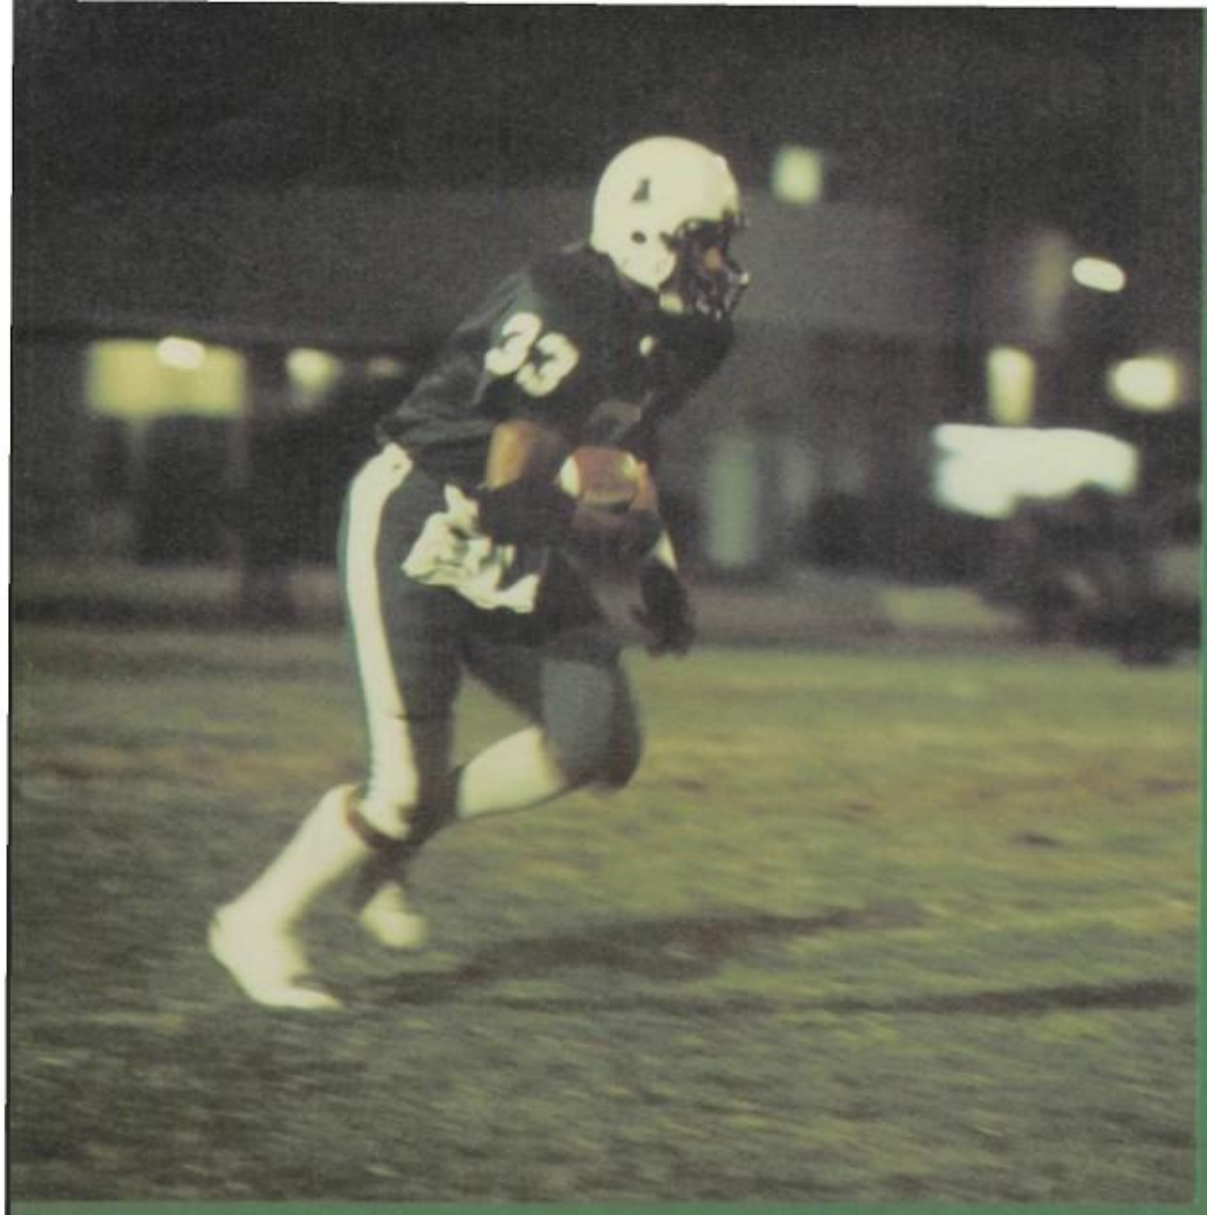
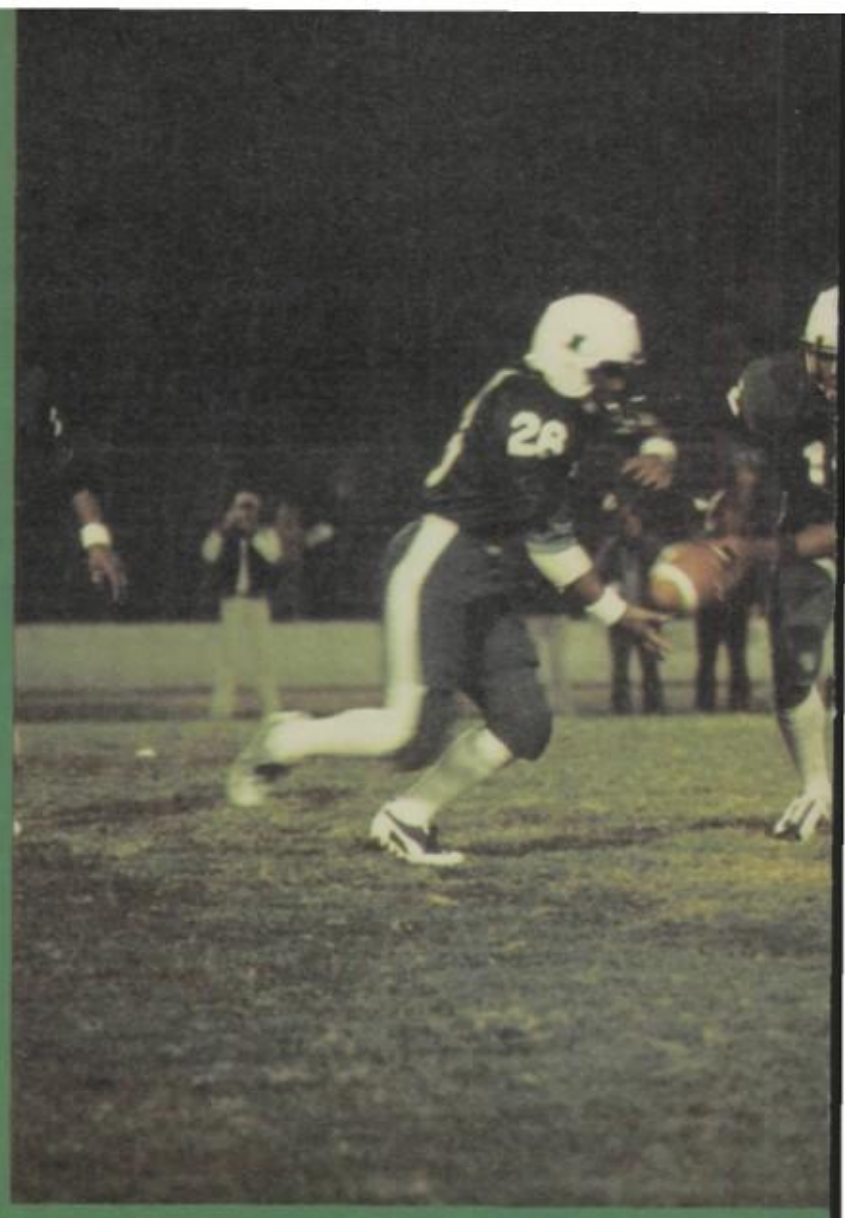
STUDENT LIFE

WE ARE NO. 1 & HOLDING

Sentinelization is never out of place. It never looked so good as it did at the 1976 Homecoming Rally. IHS cornered the market on beauty as the Homecoming Court was announced, assisted by the Drill Team and Cheerleaders.





C.I.F. Bound

The homecoming game featured two of the top teams in Southern California: the Inglewood Sentinels played the Culver City Centaurs. With the contest ending in a deadlock, Inglewood players demonstrated to all a fierce competitive spirit by preventing Culver City from gaining the Ocean League Championship.

The intense attitude by Inglewood not only turned back Culver City, but "the wood" represented the City of Inglewood very well in the C.I.F. playoffs.

SPARKLES AND DELIGHTS ON HOMECOMING NIGHT

Sentinelization was shining among the stars on Homecoming Night. Even with the crisp night air, the stands were filled with loyal fans. The half-time ceremony was an evening for all to remember.

Glamour in Waiting

Baggy clothes, oversized hats, and dull colors did not hide the beauty of the 1976 Homecoming Court. Caught by surprise in a special rally, the court was announced, and the Queen was crowned. After this exciting event, the students anxiously awaited the big game.

PEP SQUAD

The Pep Squad is responsible for leading cheers at the different competitive sports that Inglewood High School competes in. The squad is presently made up of Varsity Yell, Song, Flag, and Junior Varsity Yell.

The squad also involves itself in candy sales, sponsorship of sending "Sweetheart Flowers" on Valentines Day, and plays a major role in pep rallies. Being a member of Pep Squad may be fun, but it also takes much hard work and practice.

DRAMA

The "76-77" Season was one of the most successful and productive in the history of IHS Drama.

The new Tee Pee Theatre was inaugurated with the production of BILLY LIAR followed by "THE NIGHT OF JANUARY 16". The Fabulous Faulkenstein, the renowned mentalist magician, opened the Thursday Theatre (a weekly lunchtime program) which consisted of a one-act play, a review, or a guest performance weekly throughout the year.

Significant performances were seen in YOUNG, GIFTED AND BLACK, CYRANO DE BERZERAC, and the combined efforts of the Drama Department and Dad's Club, with student and adult co-production for PURLIE VICTORIOUS. The season was topped by the annual awards banquet in June.

SPEAKER'S DAY

Black History Week is a proud celebration of black achievement by people of all colors and races. This event was celebrated at IHS by a week filled with assemblies featuring our own students and outside speakers, and with a very special Speaker's Day. Members of the community were invited to come and share their views about life and the business community with the students in their classes.

One of the featured speaker's was Musekiwa Kumbula a nineteen year old political refugee from Rhodeshia. He represents all black high school Students as President of the Student Representative Council. Miss Beverly Young's restaurant class hosted a delicious soul food luncheon for the guest speakers on Speaker's Day.

CELEBRATION

Expressing proud feelings of brotherhood was the theme of our many assemblies during this special week. Students choreographed their own interpretive dance, the choir prepared meaningful spirituals, and drama presented an inspiring play. In addition, Mr. Maurice Lemons gave his own version of GOD'S TROMBONES.

WINNING ESSAY
BY
GERALD E. JACKSON

Black History Week is an annual event that takes place the second week in February. During this special week people from all walks of life and from all races celebrate the achievements of famous living and historic Black people who have contributed to the history of American Blacks: Harriet Tubman, George Washington Carver, Charles Drew.

During this week we pay tribute to these fine and deserving Blacks who have set a goal that we must also pursue. As we work toward this end, we are reminded that many of these people gave their lives for their beliefs.

Today, as a free people, we are also pursuing the truth, justice, and equality. Our black forefathers also strove for these goals. So now we will in turn continue their struggle knowing that we might be able to enjoy what was begun long ago.

I personally am glad that a week of tribute is set aside to honor these excellent and generous Black Americans. Their work will be continued for years to come. It's truly a blessing to be a part of this fine and active race.

Mr. Lasha and Mrs. Boykin should be acknowledged for all the many hours of hard work put into Black History Week. These two people have really contributed to the many fine assemblies held during the week. In conclusion Mr. Lasha said, "Students this year really helped to show the true meaning of Black History Week, as they joined together in presenting a wide range of programs representative of the many accomplishments and contributions of Black people in American society."

DAZZLING FALL FASHIONS OF 1976

Mistress of Ceremonies, Miss Vivian Tann.
Helene Brown

The Senior Class presented another wonderful evening with their fantastic, brilliantly co-ordinated fashion show entitled "Dazzling Fall Fashions of 1976". The show was co-ordinated and emceed by talented Miss Vivian Tann. Miss Tann, was a 1974 graduate of Inglewood High.

The show was truly dazzling in every sense of the word with the opening act consisting of our very own "Midnight Vibrations" formerly known as the "Lockers From the Wood," setting the mood with their crowd-pleasing dancing, followed by the models of the show performing a modern dance routine choreographed by Diana Cuff.

Then came the highlight of the evening: the modeling of fall fashions, with the models being led by Miss Vivian Tann. The women's fashions were furnished by such exquisite shops as Lady Hamilton, Foxy Fashions, and Dasa-Sada of Beverly Hills. The men's fashions came from Do Drop In Tuxedo Shop.

May we also mention that the show was in perfect harmony with the music given by the mystic masters of the evening, the Morningside High School Jazz Ensemble.

Program Co-ordinator Miss Vivian Tann models an elegant brown, purple, and white handkerchief dress with brown velvet trim, a matching cape, and a silver tank top.

The 1976-77 Girl's Volleyball season was a successful one; we had more league wins than losses. We finished in a tie for 3rd with Culver City behind league co-champs Torrance and Redondo. More important than wins was the attitude and team effort shown. Each member gave her best effort and individually improved. In the area of teamwork and using the 6-2 offense, the team got it together terrifically. Three players made All Pioneer League Teams: Vernita Antoine, 1st team; Joyce Dixon and Sonia Lykes, 2nd team.

JUNIOR VARSITY VOLLEYBALL

The 1976-77 Junior Varsity season was a growing and developmental one. With all new, inexperienced players it was a difficult and, at times, a discouraging season. Yet through team determination and perserverance, the team played proudly and well in their final matches against Culver City and Morningside.

With 5 returning varsity members, and hopefully the returning dedication of a now experienced J.V. team, we will have a stronger 1977-78 season.

They are now tied for first place with Morningside who was defeated by the "Wood" earlier in the season at Inglewood 64-49. Other victories for the team in league play have been against West Torrance 81-48, Rolling Hills 45-40, Mira Costa 58-41, and the only loss coming against Palos Verdes at P. V. by two points 64-66. Over Christmas vacation, the J. V. team finished in 3rd place in the Morningside Christmas Tournament. Freshman Ralph Jackson and junior Daryl Price were named to the all Tournament Team. The team has been averaging 70 pts. per game while giving up 62 pts. on defense. The team has a good blend of youth and veterans which have come up from the Inglewood program on the lower levels. The experience the players are receiving should prove to be a valuable asset for the varsity program next year. I. H. S. can be proud of their J. V. team for their outstanding achievements. Each individual ball player possesses qualities which make them all winners.

The 1976-77 Sophomore Basketball Team

The Sophomore Basketball team plays a 19 game schedule in the Bay League 4-A Division. Included in this schedule is the Hawthorne tournament in which the team won the Consolation Championship. As of right now, the Sophomore Basketball team record is an overall record of 7 wins and 4 losses, and a league record of 4 wins and 2 losses. The sophomore team is currently in second place, one game out of first.

Our goal for the 1976-77 season is to win first place in the league. As of today we have 4 out of 10 games. We have won 2 out of 2 games in league play. We are a very good and growing team, and we think we can go a long way. To achieve our main goal, we have to keep playing as a unit. Basketball has reached a level that only the people who are dedicated to the game and who are willing to pay a price may be able to win. For our freshman team, this means working hard on defense since games are won playing defense. We have to work on the fundamentals of the game. Basketball is just like anything else in life, we have to start with the basics and master the little things which will determine winning or lossing a game. Defense, passing, dribbling, cutting down on turn-overs are the basics. Once these basics are mastered, then we accomplish more and more things. We have to learn to play the game with our heads also. Basketball is such a scientific game that to play it effectively, we need smart and sofisticated players. Players who can achieve the game are able to cope with situations and adjust to them as they come up. Our freshman team is in a good position of winning the league this year.

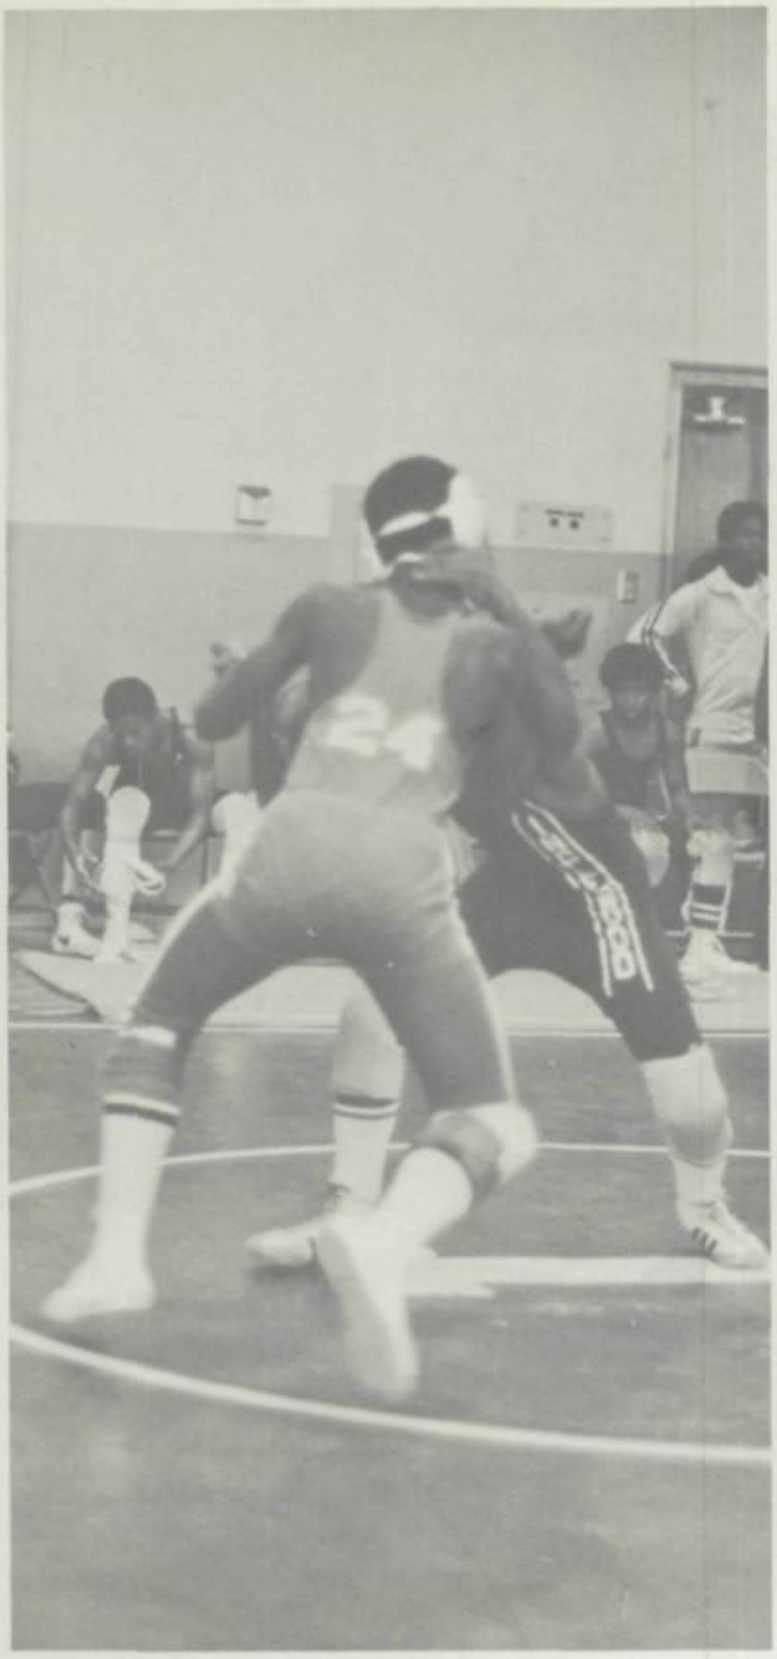
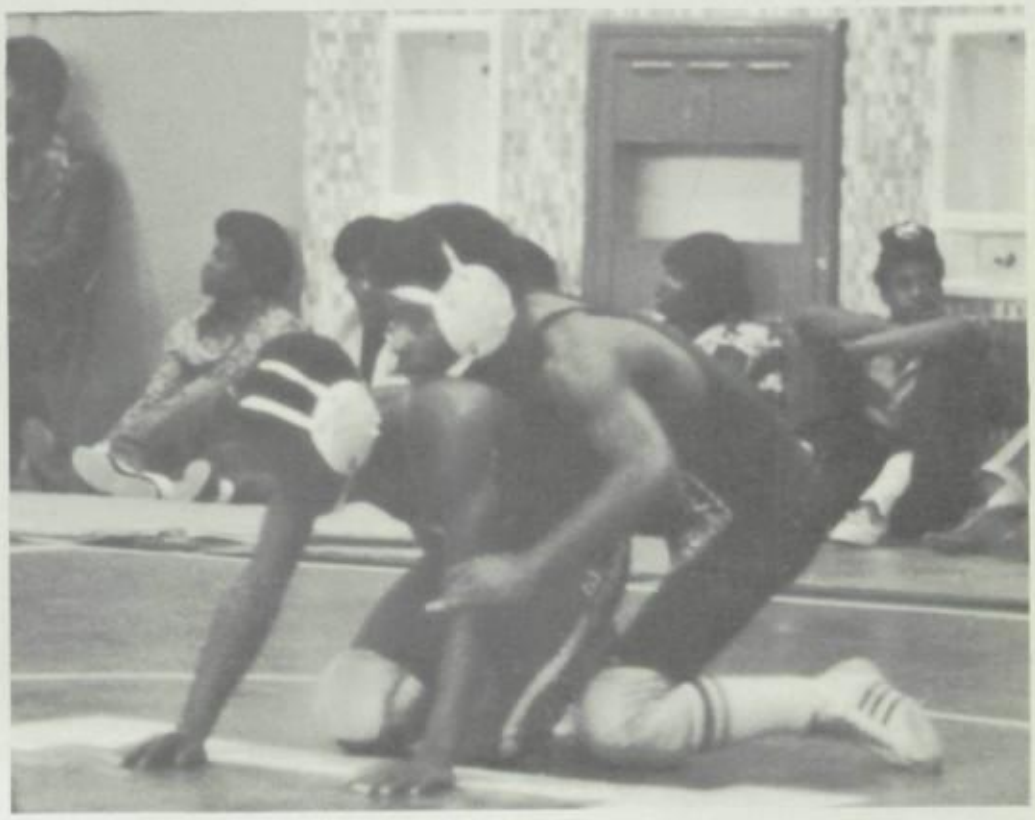
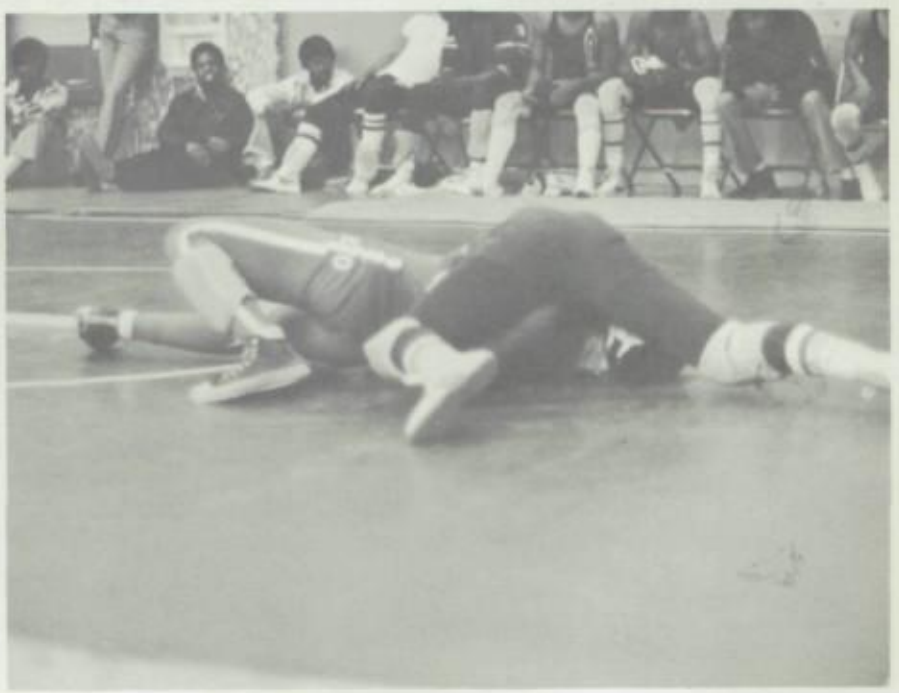
WRESTLING TEAM

The 1976-77 Inglewood Wrestling Team is in a rebuilding year. With very few returning lettermen Varsity or J.V., it is doubtful that the team will finish very high in the league standings. Hopefully, if all those currently in the program, continue to progress, we will have a much stronger team in 1977-78. The brightest star should be Keith Dixon, 11th grade. He was undefeated as a J.V. last year and is continuing his winning ways this season. Big things are also expected of a transfer from El Capitan High School in San Diego, by the name of Louis Lakser.







BOTTOM ROW (L-R): Denise Eaton, Benita Dixon, Sonia Lykes, Gerane Armant, Joyce Dixon (Captain), Cheryl Beal. TOP ROW (L-R) Eric Hunt (Asst. Coach), Madeline Wilcox, Leslie Woodman (co-Captain), Cynthia Hatter, Bridgette Sheard, Angela Coopes, Lynette Slaughter, Bob Corbin (Coach).

Inglewood High has a girls Varsity and J.V. basketball program for the first time this year. They will play an 18 game schedule including a tournament at Beverly Hills. They will participate in the Pioneer League which is 2-A.

OUR JUNIOR CLASS. . .

As they reach another step toward their goal, the Junior Class continued to be the most active class that Inglewood High School has ever had.

At the beginning of this school year, with not even a month gone in the first quarter, the Class of '78 had a fun time getting wet at one of their successful car washes. Following the car wash, the class sold pop-corn for a week as its Homecoming Week activity.

One of the biggest events that was planned for the year was the "1976 2nd Annual Dance Show". Like last year's, this year's dance show was one of the biggest and most successful activities the Junior Class has ever given. The Class gave a lot of thanks to all of the students who participated in the show. Most of our gratitude and appreciation was given to our advisor, Mr. Lasha, for the time and effort he put into the show.

The next big activity for the year was "Sadie Hawkins Week." During the week, the dedicated class performed marriage ceremonies for the couples who just couldn't wait. The Class also gave a dance at the end of the week, for which there was a very big turnout, and a lot of fun!

Some of the activities planned for the year include: a back-to-school dance, a candy sale, sweetheart candy cups, two sportnights, the sweetheart ball, a picnic, a fashion show, a bike-a-thon, a talent show, and a basketball game with the 1580 KDAY radio station basketball team.

FRESHMEN

Freshman Class Officers: FRONT (LEFT TO RIGHT)-Dorian Carter (President); Chimene Clarke (Secretary-Treasurer). REAR (LEFT TO RIGHT)-Linda Washington (Representative); Jefferia Grayson (Vice President); Don Taylor (Representative).

Dancing was the beginning of the year for the freshmen with an all-school dance, a noon dance, and an after-game dance.

Spring brought a "Freshman Only" roller skating party and a movie. Voting on class colors and a class motto are also on the agenda as the class of 1980 was welcomed to the "Wood."
